Abba, Father
 Above the voices of the world around me
 A debtor to mercy alone
 A feast of joy unspeakable is spread
 Ages pass by, earth's treasures all decay
 All earth was dark until you spoke
 All for Jesus, all for Jesus
 All glory, praise and honour
 All hail King Jesus
 All heav'n declares
 All I once held dear
 All my days I will sing this song of gladness
 All my hope on God is founded
 All my life Lord
 All praise to Christ
 Almighty Lord most high
 Amidst us our beloved stands
 Amazing Grace
 And can it be+
 A new commandment
 Approach with awe this holiest place
 A safe stronghold our God is still
 Ascended Christ, who gained the glory
 As the deer pants for the water
 Assist me here, my God and King
 As we are gathered
 At the Cross of Jesus
 Away with our sorry and fear
 Awake, awake, O Zion
 Mary's Treasure
 A wonderful saviour is Jesus my Lord

Baptized in water for our Lord
 Beauty for brokenness
 Be bold, be strong
 Be gone unbelief
 Behold a broken world we pray
 Behold his love
 Behold the Lord upon his throne
 Behold the mountain of the Lord
 Behold what manner of love
 Be thou my vision+
 Be still and know that I am God
 Beyond all mortal praise
 Bind us together, Lord
 Blessed be the tie that binds
 Blessed be your name in the land that is plentiful+
 Bless the Lord for all the honours
 Blessed be the name of the Lord
 Born by the Holy Spirit's breath
 Breathe on me, breath of God
 Brightest and best of the suns of the morning
 Bring to the Lord a glad new song

Christ brings the Kingdom
 Christians Awake!
 Christian do you see them
 Christ is all the world's good news
 Christ is risen!
 Christ is surely coming
 Christ our redeemer knew
 Christ triumphant
 Church of God, elect and glorious
 Cleanse me from my sin Lord
 Come and join the celebration
 Come and see where Jesus lay
 Come and see, come and see
 Come down, O love divine
 Come Holy Spirit
 Come sing the praise of Jesus
 Come with all joy to sing to God
 Come you thankful people come+
 Command your blessing from above
 Commit your every trial
 Crown him with many crowns+
 Depth of mercy

Earth lies spellbound in darkness
 Emmanuel, Emmanuel
 Eternal Father, Lord of life

Facing a task unfinished
 Fairest Lord Jesus
 Faithful God
 Faithful one
 Far and near
 Father all creating+
 Father although I cannot see
 Father and God from whom the world derives
 Father God I wonder (revised)
 Father hear the prayer we offer
 Father, Holy Spirit, Son
 Father I place into your hands
 Father in Heaven, how we love you
 Father of creation
 Fill now my life O Lord, my God
 Forgive our sins as we forgive
 Forth in your name O Lord I go+
 For the fruits of his creation
 For this purpose
 For your gift of God the spirit
 For your holy book we thank you
 Freedom and life are ours
 From all that dwell beneath the skies
 From all the wind's wide quarters
 From East to West, from shore to shore
 From heaven above to earth I come+
 From the squalor
 From the sun's rising

Give me oil in my lamp
 Give me the faith which can remove
 Give thanks with a grateful heart
 Glorious things of you are spoken
 Glory and honour
 Glory in the highest to the God of heaven
 Glory to God, the source of all our mission
 God all nature sings your glory
 God, as with silent hearts
 God has spoken – by his prophets
 God is good, all the time+
 God is great, amazing!
 God is our strength and refuge
 God of glory we exalt your name
 God of gods we sound his praises
 God of grace
 God of the ages
 God's not dead, no!
 God we praise you
 God sent his son
 God, whose almighty word
 Go forth and tell
 Great Father of glory how rich is your grace
 Great God of wonders
 Great God, your love has called us here
 Great is he
 Great is the darkness
 Great is the gospel of our glorious Lord
 Great is the Lord and most worthy of praise
 Great Shepherd of your people hear

Hail O once rejected Jesus
 Hallelujah, hosanna+
 Hark! A trumpet call is sounding
 Hark! The herald angels sing
 Have you heard the raindrops
 Have you heard the voice of Jesus
 Healing God, almighty Father
 Hear my prayer O Lord
 Heavenly hosts in ceaseless worship
 He has been given a name above all names
 He has risen
 He is exalted
 He is the Lord
 Help us O Lord, to learn
 Here I am
 Here is love, vast as the ocean
 He was pierced for our transgressions
 He who would valiant be
 His everlasting truth
 His name is wonderful
 Holy spirit, will you be
 Ho Reapers in the whitened harvest+
 Hosanna, hosanna, hosanna in the highest
 How broad, how long, how high, how deep
 How can I be free from sin?
 How can we sing with joy to God
 How deep the Father's love for us
 How firm a foundation
 How good is the God we adore
 How sure the scriptures are
 How shall they hear who have not heard
 How sweet the name of Jesus sounds

I am not skilled to understand
 I am trusting you Lord Jesus
 I cannot count your blessings Lord
 If Christ had not been raised from death
 If I were a butterfly
 If my people who bear my name
 If you're black or if you're white
 I have not seen your face O Lord
 I hunger and I thirst
 I lift my hands
 I love my Lord because he heard my voice
 I'm accepted, I'm forgiven
 I met Jesus at the crossroads
 Immortal honours rest on Jesus' head
 Immortal, invisible
 I'm redeemed, yes I am
 In awe and wonder Lord our God
 In Christ alone
 Infant holy, infant lowly
 *Infinite God to you we raise
 In heavenly armour
 In heavenly love abiding
 In my life Lord
 In our households heavenly Father
 In sure and certain hope
 In the tomb so cold they laid him
 In the beginning at the dawn of time
 Into a world of dark
 I saw a new vision of Jesus
 I serve a risen saviour
 I sing the almighty power of God
 I the Lord of sea and sky
 It may be at morn when the day is awaking
 I waited for the Lord my God
 I want to walk with Jesus Christ
 I will give thanks to you
 I will enter his gates
 I will offer up my life
 I will sing the Lord's high triumph
 I will worship

Jesus, all for Jesus
 Jesus, be first in everything
 Jesus, be the centre
 Jesus came the heavens adoring
 Jesus Christ is risen today+
 Jesus Christ, I think upon your sacrifice
 Jesus Christ the saviour
 Jesus, God's righteousness revealed
 Jesus how could I ever be
 Jesus is King and I will extol him
 Jesus is Lord – the cry that echoes through creation
 Jesus is Lord! The God of all creation
 Jesus is the name we honour
 Jesus, Jesus all sufficient
 Jesus loves me! This I know
 Jesus, Prince and Saviour
 Jesus restore to us again
 Jesus shall reign were'er the sun
 Jesus shall take the highest honour
 Jesus the joy of loving hearts
 Jesus the name high over all
 Jesus was slain for me at Calvary
 Jesus, we celebrate your victory
 Jesus, we enthrone you
 Jesus, we have heard your spirit
 Jesus, your blood and righteousness
 Join all the glorious names

King of King's, majesty	Make me a channel of your peace	Name of all majesty	O Judge of quick and dead
King of my life I crown you now	Make way, make way	Nearer still nearer	O Lord most high
	May the mind of Christ my saviour+	No more ask me to leave you	O Lord my God, so many are
Lamb of God, Holy one	May the fragrance of Jesus	No other name but the name of Jesus	O Lord of heaven and earth and sea
Lamp unto my feet+	Meekness and majesty	No scenes of stately majesty	O Lord the clouds are gathering
Let love be found among us	Mister Noah built an ark	Nothing can separate us	O Lord your tenderness
Let me come closer to thee	My God how wonderful you are	Not the grandeur of mountains	O may this love constrain my soul
Let the flame burn brighter	My God is so big	No weight of gold or silver	On a hill far away
Let everything that+	My heart is full	Now lives the lamb of God	Once in Royal
Let us draw near to God	My heart is filled with thankfulness		On Christmas night
Light of the world	My hope is built on nothing less	O bless the God of Israel	One day when heaven was filled with his praises
Like a candle flame	My Jesus, my saviour	O breath of life	Only a boy called David
Like a river glorious	My life is in you Lord+	O changeless Christ	Only by grace
Lo he comes with clouds descending	My Lord, what love is this	O Christ in you my soul has found	O precious words that Jesus said
Look to the skies	My soul exalts and magnifies the King	O Christ of all the ages come	O sacred head, once wounded
Lord and saviour		O Christ the great foundation	O soul are you weary and troubled
Lord, be my vision		O Christ the same	O the blood of the Passover lamb
Lord, enthroned in heavenly splendour		O come, O come Emmanuel	O the deep, deep love of Jesus+
Lord, for the years		O for a heart to praise my God+	Our Father God your name we praise
Lord, have mercy on us		O for a thousand tongues	Out of my bondage
Lord, lead us on to your plans for our future		Of the Father's heart begotten	O what a morning
Lord, may we see your hands and side		O God beyond all praising	O what a mystery I see
Lord, now let your servant		O God of burning cleansing flame	O what a saviour
Lord of all being		O God our help in ages past	O what matchless condescension
Lord of our dawning who brought us to birth		O happy day	O worship the Lord in the beauty of his holiness+
Lord of the church		O have mercy gracious saviour	
Lord, speak to me that I may speak		O how the grace of God amazes me	
Lord you are more precious than silver		Oh, the joy of your forgiveness	
Lord you are more precious to me		O Jesus full of truth and grace	
Love divine		O Jesus I have promised	
Love songs from heaven			
Lord, the light of your love is shining			
Lord of the cross of shame			
Lord you were rich beyond splendour

Pause my soul and ask the question
 Powerful in making us wise to Salvation
 Praise my soul the King of heaven
 Praise to the living God
 Praise to the Lord, the almighty
 Prayer is the soul's supreme desire
 Purify my heart
 Put your helmet on your head

Read the bible every day
 Reconciled, I'm reconciled
 Reign in me sovereign Lord
 Rejoicing in hope
 Remember Lord the world you made
 River, wash over me
 Roar the waves, the waters praising
 Rock of ages
 Round the Lord of glory seated

Safe in the shadow of the Lord
 Search me, O God
 See he dies as a lowly man of sorrows
 See the conqueror mounts in triumph
 See what a morning
 Shout for joy and sing
 Show me how to stand for justice
 Show your power O Lord
 Sing Praise to God who reigns above
 Sing to God new songs of worship
 Soften my heart Lord
 Songs of thankfulness and praise
 Sound the gospel of grace abroad
 Sovereign Lord we sing your glory
 So we'll trust in the Lord
 Sowing in the morning
 Speak Lord in the stillness
 Spirit of God, unseen as the wind
 Spirit of holiness
 Spirit of the living God
 Spirit of the living God, fall
 Spirit of truth come down
 Standing by a purpose true
 Such Love

Take my life and let it be
 Teach me dear Lord
 Teach us how grave a thing it is
 Tell all the world of Jesus
 Ten rules, one God
 Thanks to God whose word was spoken
 Thank you for the cross
 Thank you Jesus
 Thank you Lord for gifts of teaching
 The best book to read is the bible
 The gifts we bring
 The God of Abraham praise
 The Heavens declare your glory Lord
 The heroes of scripture
 The Lord created family
 The Lord made man
 The Lord's my shepherd
 There is a day
 There is a green hill
 There is a redeemer
 There's a place
 There is one name
 There is one name
 The Kingdom of God is justice and joy
 The sands of time are sinking

The son of God rides out to war
 The spirit came as promised
 The steadfast love of the Lord
 The story has broken
 The trumpets sound, the angels sing
 The virgin Mary had a baby boy
 The will of God to mark my way
 This child
 This earth belongs to God
 Thou didst leave thy throne
 Through all our days we'll sing the praise
 Through the darkness of the ages+
 'Tis finished! The Messiah dies
 Today your mercy calls us
 To God our great salvation
 To him we come
 Tonight+
 To you O Lord I lift up my soul+
 To you O Lord our hearts we raise
 Turn our hearts

 Unto the hills around me

We all are one in mission
We are his children
We are marching
We come as guests invited
We give immortal praise
We have not known you as we ought
We'll walk the land
We shall stand
We will tell each generation
We wise men
What a friend we have in Jesus
What child is this
What kind of love is this
When circumstances make my life
When I look into your holiness
When I was lost
When Jesus died upon the cross
When Jesus led his chosen three
When the Lord in glory comes
When to our world the saviour came
When we walk with the Lord (version 1)
When we walk with the Lord (version 2)
While the bread is yet unbroken
Who can cheer the heart like Jesus

Who can sound the depths of sorrow
Who is there like you
Who paints the skies
Who puts the colours in the rainbow?
Who's the king of the jungle?
Wind of God
With a prayer
Within the busy rush of life
Within the veil
Wonderful Grace

You are crowned with many crowns
You are my anchor
You are the King of glory
You are the vine
You are the way
You have been given
You holy angels bright
Your love is great O God
Your grace is sufficient for me
Your hand O God has guided
Your mercy my God
You're wonderful

Zaccheus was a very little man
