

What's the Bible about?

*Man's complete ruin in sin  
and what God has done  
in Christ to bring us to Him again.*

What is sin?

*Sin is the breaking of God's law;  
plus our condition,  
which means from birth we all got flaws.*

Sin entered the world through one man, and death through sin, and in this way death came to all men, because all sinned... (Romans 5:12)

What is the result?

*The result is that we are God's enemies  
and must pay the penalty unless  
God provides the remedy.*

For the wages of sin is death... (Romans 6:23)

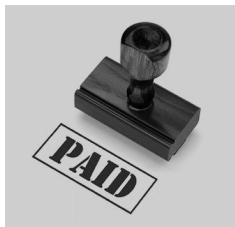

What's the remedy?

*The remedy is the cross  
I've been rescued by the Lamb,  
I'm convinced that He's risen  
And blessed is the man whose sins are forgiven!*

Jesus Christ who gave himself for our sins to rescue us from the present evil age according to the will of our God and Father... (Galatians 1:4)

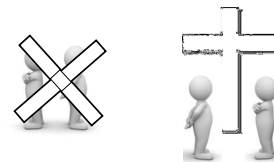

Redemption

*We've been freed from slavery to sin  
and His very own blood is the price  
He paid, my friend*

It was not with such things as silver and gold that you were redeemed ... but with the precious blood of Christ... (1 Peter 1:18-19)

Reconciliation

*Means there's no more enmity;  
God is now a friend to me,  
we're no longer enemies*

For when we were God's enemies, we were reconciled to him through the death of his Son... (Romans 5:10)

Justification

God declares us righteous

He was delivered over to death for our sins and was raised to life  
for our justification... (Romans 4:25)
